SUMMER COMING IN HOT

Did any of you happen to catch Moomba Masters on livestream recently?? That means Spring is upon us and it's time to get on the water, at least in the South Central region!!

The SCR juniors will kick off the summer at Bennett's Ski School in June. Bennett's will welcome us for 2 great weeks of learning new skills and training for upcoming tournaments! Added bonus is that Bennett's will be hosting LA Night Jam on Saturday, June 10, so if you are headed to SCR JD Ski Week stay late or come early to experience this fun pro event!! Take a look to the left for a list of events this summer! Registration for events will be on USA Waterski website soon!

It's not too late... BECOME A SPONSOR OF SCR JD

**2023
Sponsorship
Opportunities**

Please help support the South Central Region Junior Development program. The goal of this program is to attract new junior skiers and families, promote junior skiers, and provide junior skiers with opportunities to improve their waterskiing skills. Donations will be used to host clinics and tournaments and award skiers for their achievements.

PHOTOS WANTED

Let's be honest...the best part of the quarterly Junior Development newsletter are the photos of all the kids ripping up the water and hearing all about how awesome they are!!

Since we all have smart camera phones these days, please share any and all pictures you have of your awesome kids! And they don't have to just be action photos of them skiing!! Think other sports they are participating in, academic achievements, volunteering in their community, etc.

Also, if you have any great stories of something your child is doing off the water, please feel free to share. We would love to celebrate all of the amazing things our kids are doing in their lives.

Please email southcentralregionjd@gmail.com OR text to Lauren at 713-907-0725.
