

OK, the tournament is over, where do I send this STUFF?

ALL Scorebooks, Class C through R:

Send the .zip file from the WSTIMS scoring program electronically to the SCR Seeding Representative at: scrseeding@gmail.com

Head Tax: Immediately after each tournament Class C or higher, send a check for \$4.00/skier (Regional Championships \$8.00/skier) to:

**SCR Treasurer
c/o Kathy Ives
219 River Ranch Circle
Martindale, TX 78655**

Head Tax IS DUE within **30 days** of each tournament.

Class F skiers are exempt from head tax.

Important Note: Head Tax applies to all skiers uploaded to the Rankings Lists, whether they paid an entry fee or not! Details on penalties for Failure of Timely Payment are covered in Sections 1.2.3 and 1.2.2 of the SCR Policies and Procedures.

SurePath data (BPMS), if available, should be included in the tournament file for all tournaments as it can be used for driver maintenance or upgrade. **SurePath data is mandated for E, L or R events.**

If Video back-up (end of course) from Class E & higher tournaments is required: Please send an alert to the EVP (screvp@gmail.com) so that upload of the video files can be coordinated.

If video is used, please include the "bt.prn" file printout from the WSTIMS scoring program with the upload. This is the file that graphically displays and lists the driver times and should align with the video time stamps.

Thanks,
SCR EVP
