Slalom Buoy Quick-Count Chart

The chart below lists the buoy count for a perfect pass for a given boat speed and line length for each division.

Example: A perfect pass for a skier in the Men 2 division at 13 meters and 58 kph is 96 total buoys.

The total buoy count for an imperfect pass can be determined by taking the total buoy score for the last perfect pass and adding the number of buoys scored on the imperfect pass.

Example: A Men 3, 4, 5 or 6 skier who makes 2½ buoys at 23 meters at 55 kph has a total buoy count of 62½ buoys (60 plus 2½ buoys).

Coaches Development Program Description

Revised 1/2015

1251 Holy Cow Road, Polk City, FL 33868-8200
Phone: (863) 324-4341 ★ Fax: (863) 325-8259 ★ E-mail: coaching@usawaterski.org

USA Water Ski's Coaching Development Program was introduced in 1991 as a program that provides a structure for the certification of water ski instructors and coaches through a three-step process of education, participation and evaluation. The goal of the program is to improve the quality and consistency of water ski instruction in the United States.

Refer to the Coaches Development Program Quantitative Requirements for Advancement and Renewal for more information.

USA WATER SKI LEVEL 1 INSTRUCTOR *(ages 18 and up)*: USA Water Ski provides training and certification for aspiring instructors and coaches to teach students the necessary skills to safely and successfully participate in the various USA Water Ski sport disciplines.

In an effort to ensure that USA Water Ski certified instructors and coaches are well versed in the importance of the health and safety of all students, especially minors, USA Water Ski requires all instructors and coaches to submit to and pass a Criminal Background Screening and participate in an online Child Abuse Prevention/Awareness Training program. The cost of the course is **$70.00** or **$110.00** if you elect to purchase the optional coaches liability insurance coverage. Please see below for more information on the three components of the Level 1 Instructor's Course.

Minimum Requirements:

- current USA Water Ski Active member *(does not include GrassRoots or Guest members)*
- age 18 or above
- valid social security number

Note: Foreign instructors/coaches and those under the age of 18 are not eligible for this program.

1) **Criminal Background Screening:** This process includes the investigation and review of various consumer reports and law enforcement/public records including, but not limited to, the items listed below. Results are returned within, on average, three (3) business days.
    - Criminal History Check
    - Sex Offender Registry Check
    - Social Security Number Check
    - Address Checks
    - Employment Checks
    - Reference Checks

2) **SafeSport Training:** This training, originally created by the U.S. Olympic Committee (USOC), and adapted by USA Water Ski, focuses on recognizing and reducing circumstances for potential abuse to occur, the availability and procedures for any person to report suspected abuse or misconduct (including protections from any retaliation or repercussions for such reporting) and procedures and means by which a coach should respond to allegations of abuse and misconduct. Upon completion of the training, you will be required to answer a series of 20 multiple choice or true/false questions. The test results are graded and presented immediately. ***Passing = 90%***

2017 Common_15-26.indd 23 2/20/17 3:04 PM

OPTIONAL COACHES LIABILITY INSURANCE PROGRAM: USA Water Ski offers certified instructors/coaches who have completed the required Criminal Background Screening and SafeSport Training the option of participating in the our Coaches Liability Insurance Program. This program provides General Liability and Professional Liability coverage to USA Water Ski certified instructors/coaches. For more information regarding this insurance program, please refer to the *"Coaches Liability Insurance Program"* link located under *"Insurance Resources"* on USA Water Ski's Web site.

USA WATER SKI JUNIOR LEVEL 1 INSTRUCTOR *(ages 16 and 17)*: The Junior Level 1 course is the same as the Level 1 Instructor Certification Course, except that applicants are not required to submit to and pass the Criminal Background Screening nor are they eligible to purchase the optional coaches liability insurance coverage. The cost of the course is **$45**.

Fast Track Options for Assistant/Regular/Senior Judge, Scorer, and Driver- see respective Policy Manual for ~~d~~details

Three, Two or Single Event Ratings - An individual working toward rating upgrade must complete the quantitative requirements for each event for which he is seeking upgrade.

Multiple Officials Rating Credits - An individual is eligible to serve as a judge, scorer and/or driver at one tournament and receive more than one official's rating credit. However, only one credit is awarded per official's rating category (judge, scorer or driver) per tournament. For example, although an individual can be an Assistant Chief Judge and also judge one or more events at a tournament, he only receives one rating credit as Assistant Chief Judge or judge, not both, for that tournament.

Judging Credit for Jump - Judges will receive upgrade and maintenance credit for work performed as Shore Judge (optional by CJ), Boat Judge, Video jump operation (two officials), includes Meter Reader or Master Board Operator.

Grass Roots Tournaments - ~~Slalom~~ Credit may be obtained for aspiring Assistant Judges working a Grassroots tournament. Full maintenance (not upgrade) credit is awarded to rated officials.

 # May start when 13

Regional Tournament Credit for Aspiring Senior Judges and Scorers - Credit may be obtained by work performed at either a Regional or National tournament, including work at both tournaments during the same year. The NCWSA All-Stars and Nationals shall not count tor fulfilling the quantitative requirement of Regional's attendance for upgrading to Senior

*However significant E & L tournaments can count for up to 2 Regional Tournaments.

Aspiring Senior Scorers and Judges - Aspiring Senior Officials may reduce the number of non Regional/National tournaments required by serving as Chief Judge/Scorer more than the three minimum times. This experience will substitute for working two tournaments each time it is done, for a maximum of three times. Therefore, the aspiring Senior Official will have served as Chief ~~Scorer~~ for a minimum of three or a maximum of six countable times. This reduces the current requirement by up to three tournaments and provides more relevant experience.

Clinics - Clinic attendance is mandatory for upgrading all ratings. With the exception of Assistant Judges and Scorers, all officials must attend one (1) USA Water Ski-sanctioned clinic every four (4) years to renew their ratings. One (1) clinic may be used in place of one tournament credit every two years (biennial period). At the beginning of ~~each~~ the biennial year USA Water Ski will send e-mail notifications to officials who will be required to attend a clinic before the end of the ~~calendar~~ biennial year. In-person, online, or CE clinics count equally for advancement, renewal, and reinstatement. A Judge's clinic may count for a Scorer's Clinic.

Renewal Requirements

- For an individual to maintain a judge, scorer or driver rating, he must officiate in the number of tournaments indicated in the renewal column above for each event rated during a two calendar year period. Renewal requirements are reviewed at the end of every "odd" year (the Biennial) for rating renewal for the next two-year period (i.e., January 1, 2016 to December 31, 2017 for renewal for 2018).
- Assistant officials who receive their rating in the "even" year, will only be required to meet half of the renewal requirements above. Assistant officials who receive their rating in the "odd" year are automatically renewed for the next two-year period.
- Senior Drivers who hold a slalom rating must submit an end course video of their driving performance to their regional drivers' committee representative once a year for review.

Tracking Your Officials Credits for Upgrade/Renewal: An official can view the tournaments/clinics for which he receives officiating credit for both maintenance and upgrade purposes by logging into his "Members-Only" section of USA Water Ski's Web site using his membership number and password and clicking on ***"My Officials' Rating."*** In the case of discrepancies, the official should contact the applicable Chief Official so that he may contact USA Water Ski and see that proper credit is issued.

-Nationals are coming back to Texas again this year, in San Marcos.

Check the website at www.AWSASouthCentral.com for details and registration info on all 2017 events. Enter early, as many of the events will fill up early.

We are so proud of our outstanding SCR skiers. So many have received accolades, in all age divisions.

Thanks to all of our officials and volunteers… It's your help and efforts that allow our sport to continue.

This year, look for new rules and exciting tournament formats, with more focus on team competition and ability-based formats.

Skiing is my life.

That's not to say I don't have interests outside of the sport, I have plenty. But, water skiing in one way or another, has shaped every aspect of my life. From the country and state I call home, to the friends I hold dear, this sport has led me down the path to where I call home. You wouldn't have to be a professional skier for this to ring true. Think about your current stake in life, in the absence of water skiing, how different might it look? If the lure of morning ski rides didn't hearken so heavily, how would things differ? Whether you ski every day, or are just lucky to fit a ride in when you can, we are all in the same boat. We love to ski, and this sport has helped shape who we have become. Keep that in mind this summer as you prepare for another tournament season. On your good days and bad, embrace it. Chances are, for better and for worse, skiing is your life too. Enjoy the new guide; I'll see you at the lake.

HOST A SKI CLINIC

Ski clinics can be a wonderful way to promote the sport of water skiing and encourage camaraderie among skiers of all ages and abilities. You might be surprised how many skiers, including kids and adults, are reluctant to ski in a tournament but will readily sign up for a clinic because there is no pressure to perform. While the thought of organizing a clinic can seem overwhelming, it doesn't need to be. Start small and then enjoy how rewarding the process can be.

Step One: Start with your Audience

Think of a target group of skiers in your area and determine the goal of your clinic. Would you like to attract new people to the sport to increase participation at local tournaments? Do you have a group that would like to improve in slalom, tricks, jump, or all three? Tailor your clinic to fit the needs of your area. Clinics can be as simple as a one day event with a few skiers, or as big as a multiple day three event festivity.

Step Two: Find Coaches

You have many options when it comes to finding coaches. Begin by talking with your neighbors and friends. Many ski lakes and communities have accomplished skiers who would enjoy sharing their knowledge of the sport. In addition, collegiate water ski teams are enthusiastic, great with kids, and always looking for fundraising opportunities. And of course, the SCR is home to some very talented professional coaches. Ask around, check social media, and do some internet searching to find the coach that fits your needs.

Step Three: Get Organized

Insurance

USA Water Ski has a "Get on the Water" program that allows you to sanction clinics for $30. You will need a trained driver, a safety coordinator, and a level 1+ instructor/ coach on site to be eligible for sanctioning. To read more about this option, visit www.sharelifeonthewater.com/host-an-event.html. There are currently level 1+ certified instructors in Texas, Louisiana and Mississippi, and their contact information is listed in the officials directory on USA Water Ski's website. If you have difficulty finding a certified level 1+ coach in your area, it's easy to become one yourself. Read about the process at www.usawaterski.org/pages/Coaching/USAWSCoachingDevelopment.pdf.

HOST A SKI CLINIC

Registration
Decide on a format for registration. Do you want to collect paper entries and checks or use online registration tools with credit card payment options? Google Forms and Paypal are excellent registration tools that participants can utilize online. Whether you choose paper or digital, simplify your work load by selecting one format and sticking to it.

Volunteers
Unless you are superhuman, you will need some help. Many people are willing to donate a few hours of their time, especially when offered a choice of specific tasks. Consider using apps like Sign Up Genius or SignUp.com to reach out to and organize your volunteers.

Step Four: Advertise

When you sanction your event with USAW ater Ski, it will automatically be listed on their website's Events and Registration page. T o reach even more people, advertise your clinic through email, social media, and the SCR website www.awsasouthcentral.com. Remember to be specific about the schedule of events and other details of your clinic.

Step Five: Think Fun!

On the day of your event, have any paperwork that will need to be signed ready. Welcome your participants, take care of any last minute waivers, guest memberships, etc. and explain the schedule and procedures for the day. Most skiers are social and will enjoy hanging out on the dock, visiting with others while waiting for their next set. Provide shade, food and drinks and watch the fun unfold. For an added bonus, plan an after ski activity. Think games, dinner, party bus, etc.! The possibilities are endless to make this a great event for your site.
