

## 3 Event Skiing Opportunities for Juniors

### Clubs

#### Capital Area Water Ski Club

The Capital Area Water Ski Club (CAWSC) was established in 1988 to further develop competitive water skiing in the Austin area. We specialize in 3 event competition water sports to include slalom skiing, trick skiing and jump. The Capital Area Summer Series (CASS) is a collection of tournaments which collect and report scores for the end of the year awards. Beginners are encouraged to participate in clinics and novice tournaments. Skiers progress through the ability levels as their performances improve.

<http://waterskiaustin.com>

#### Metroplex Ski Club

The Metroplex Ski Club is a family oriented social ski club looking to promote all disciplines of waterskiing. All ages and abilities are welcome. MSC annually hosts at least one Novice and one Class C tournament. MSC currently has a ski site with a slalom course and a jump course at Marine Creek Lake in Fort Worth. This site is well protected from all but a NE wind. MSC has also obtained access to a section of the Trinity River near downtown Fort Worth. The site is long enough to provide a slalom course and separate areas for open skiing/ wakeboarding.

Other tournaments can be found on USA Waterski's website: [www.usawaterski.org](http://www.usawaterski.org).  
under the Events and Registration heading on the left side. Then click Event Search or Register and Waterskiing. Here you will find events all over the country. You can narrow the search by region (ours is South Central, by state and/or by type (Grassroots or Premier & Grassroots). Be sure to click Update Search to update using your filters.
